 - (b) ☐ A proposed reply was received on _____, but it does not constitute a proper reply under 37 CFR 1.113 (a) to the final rejection. (A proper reply under 37 CFR 1.113 to a final rejection consists only of: (1) a timely filed amendment which places the application in condition for allowance; (2) a timely filed Notice of Appeal (with appeal fee); or (3) a timely filed Request for Continued Examination (RCE) in compliance with 37 CFR 1.114).
 - (c) ☐ A reply was received on _____ but it does not constitute a proper reply, or a bona fide attempt at a proper reply, to the non-final rejection. See 37 CFR 1.85(a) and 1.111. (See explanation in box 7 below).
 - (d) ☒ No reply has been received.
2. ☐ Applicant's failure to timely pay the required issue fee and publication fee, if applicable, within the statutory period of three months from the mailing date of the Notice of Allowance (PTOL-85).

Art Unit: 3641

1. This application is abandoned in view of applicant's failure to submit a reply to the Office Action mailed on August 27, 2003, within the required period for reply.

2. This situation is unusual. The Office re-mailed Paper No. 10 on August 27, 2003, which is subsequent to the date of applicants' amendment, which was filed August 25, 2003. This amendment states that it was responsive to Paper No. 10, the Office action mailed April 21, 2003. Actually, Paper No. 10 was originally mailed January 02, 2003, then re-mailed February 24, 2003, then re-mailed again on April 21, 2003, and finally re-mailed on August 27, 2003.

Subsequent to the re-mailing of Paper No. 10 on August 27, 2003, the Office clerical staff further sent out a Notice of non-Compliant amendment on October 14, 2003, which stated that the amendment of August 25, 2003 was improper since it did not contain a complete listing of all claims.

3. Thus, at that time, October 14, 2003, there were two time periods running, one for the reply to re-mailed Paper No. 10, which started August 27, 2004, and a second time period for the nonresponsive amendment filed August 25, 2003. Nothing in the Notice of Non-Compliant Amendment October 14, 2003, referred to or modified Paper No. 10, re-mailed on August 27. Specifically, it neither restarted the period for response of Paper No. 10, re-mailed August 27, nor waived that statutory time for reply. Manifestly, a reply to an earlier Office action is not a reply to an office action re-mailed subsequent to the received date thereof. The statutory time for reply to Paper No. 10, re-mailed August 27, 2003 having expired, this application is abandoned.
